ABOUT US

Serving the food service, and Horeca segment with **over 1000 food-grade disposables products**

Since its inception in 2006, A1 Plastic has been serving the food service, and Horeca segment with over 1000 food-grade disposables products of exceptionally high standards of hygiene, quality and durability from our in house. Our product portfolio is well suited to offer great value to our clients.

A leader in the field, we enjoy a reputation for reliability earned over the years both within UAE and internationally. Geographical your focus remains on the Middle East, CIS, Africa and Europe. We thrive to establish strong, long term relationships with our valued clients, offering top quality products at very competitive pricing. As trailblazers in the industry.

Our research and development continue to make aggressive efforts to continuously introduce new products with innovative new designs and ensure high product standards. Quality, hygiene and service are the cornerstones on which we built the business that set us apart.

Our Mission

Add value to the packaging products of our worldwide customers. We strive to offer them new developments and solutions that strengthen their position of market and make their customers more loyal to their brands and innovations continuously.

Our Vision

Become a global player in thin-walled IML plastics injection food packaging & Horeca food packaging while providing perfect quality, new development & technologies and professional business & product development to our customers and expanding new markets in Europe and Gulf Region.

**Ibrahim Saeed
Al Ghas**

Chairman's Message

We are committed to creating practical, safe, and innovative packaging solutions with high-quality standards for the global retail and foodservice industries. We bear out this commitment to you by investing in ongoing product developments, state-of-the-art manufacturing

Future of A1 Plast

A lot has been planned and a lot of it executed, we are a very subtle organization, and we like to create examples from our work, we are more practical than any industry providing our scope of services. Decided to further expand its operations by extending its production line in collaboration with the world's state-of-the-art manufacturing technology providers.

I welcome you to be a part of our journey!!!

T M VARGHESE

GM's Message

Our mission is to furnish organizations with complete packaging solutions which enhance our customers' positioning and sustainability in their markets, driving longevity and value. We add value to our customers by understanding their requirements and providing a comprehensive design and manufacturing service of plastic packaging by delivering exceptional quality products and services that solve their business needs and increasing their profits.

Our greatest asset, and the key to our success, is our Employees believe that each of us needs a sense of dignity, pride and satisfaction in what we do

OUR 5 Key Values

Reliability

We are reliable

We want to be the most reliable and competent supplier of protective packaging for the food industry.

Highest Standards

We always pursue the highest standards

We want to be the most reliable and competent supplier of protective packaging for the food industry.

Expertise

We meet our customers' needs through expertise

We want to be the industry leader in material, process and tooling technologies.

Integrity

We act with integrity

We have the ambition to lead the industry's efforts in making food packaging circular, offering fully recyclable products based on the market-leading share of postconsumer content.

Collaboration

We foster a collaborative culture

We will invest in our people and foster collaboration, whilst providing attractive opportunities for individual growth.

Sustainable Packaging

Our comprehensive approach to packaging seeks to meet extensive packaging regulations, aims to cut waste, conserve natural resources, ensure food safety and quality, and satisfy our consumers. Being environmentally friendly is very important to us, so we are always sourcing the most excellent biodegradable and compostable supplies out there. By ensuring high-quality, eco-friendly packaging, customer-oriented packaging, and offering great customer support throughout, we believe that Kraft Middle East is the future for perfect food packaging solutions
